ACHIEVEMENTS

**GMRT,
RAJAM**

The Institute has been in the forefront of promoting international publications by faculty. Its faculty members have published various impact factor journals with good article influence factor in reputed international journals like IEEE, IET, Science Direct, Wiley and Springer. The highest impact factor paper published in journal is 5.16 and the lowest is 1.414. The average impact factor of GMRT's papers are published in different journals is 1.028.

PROF. DR. N. SRIDHARAN

Director
SPA,
Vijaywada

Generally students are not getting quality faculty to teach various subjects because of two things. One, remote location of some institutions where it is difficult to get faculty members. Two, access to many international journals due to language constraints. Along with the entrance test for engineering, there should be an English test, too.
